Faculty Presentation

Today's Objectives

1. What is QECO?
2. Initial Evaluation after OCT Certification.
3. How to apply and what to expect.
4. Upgrading as a Member of an Affiliate.

What is QECO?

QECO:

- Is governed by the four teacher affiliates AEFO, ETFO, OECTA and OSSTF.
- Evaluates teacher academic credentials for salary purposes.
- Is recognized by all boards for salary grid placement.
- Is identified in all collective agreements across the province – jointly accepted by employers and employees.
- Provides fully bilingual service (French and English).

QECO is not

An affiliate (AEFO, ETFO, OECTA, OSSTF).

The Ontario College of Teachers.

The Ministry of Education.

A District School Board.

A regulatory body – (QECO's credential evaluation is for salary purposes only – not for certification.)

QECO is

A Credentials Evaluator

The only credentials evaluator authorized to provide category placements for members of the four affiliates, AEFO, ETFO, OECTA and OSSTF.

- 51 years of service.
- Nearly 20,000 applications per year.
- Nearly 4000 student evaluations per year.

Comprised of 10 evaluators, 5 support staff, an Evaluation Coordinator, and an Executive Director.

QECCO works for Teachers

- Program 5 is negotiated in all collective agreements.
- Placement is consistent (in Ontario only).
- Qualifications are consistently recognized.
- Upgrading (movement from category to category) is systematic.
- Integrity of program is trusted by both teachers, school boards and the Ministry of Education.

QECO Uses

PROGRAM 5:

- Qualification evaluation specific to Ontario education:

1. General Education Chart
2. Technological Education Chart

- 5th revision since 1969
- May be viewed on website www.qeco.on.ca

5 Categories available to certified teachers: **A A1 A2 A3 A4**

- Teachers with OCT certification, acceptable degrees, or Tech. Education teachers with basic technological Education qualifications, will be placed in no less than Category A1

Requirements to Obtain QECO Services

Anyone applying for a QECO evaluation must be able to prove:

- Current Ontario Teacher Certification in “*Good Standing*”
- AND**
- Teacher membership with one of:
 - AEFO
 - ETFO
 - OECTA
 - OSSTF

Service by QECO is funded by the union dues of the members of the teacher affiliates.

Newly Certified, Ontario-Trained Applicants (You!)

You are eligible for an initial evaluation without teacher affiliate membership if you:

- Apply to QECO within 4 months of OCT certification

AND,

- Received your teacher education at an Ontario publicly funded institution.

General Education Applicants -Documentation Required-

- Mail all official transcripts of all post secondary studies that you have completed including:
 - College (CAAT) – complete programs,
 - University and additional university courses,
 - B.Ed. studies,
- We also need the official transcripts from the institution from which any transfer credit was obtained.
- Additional Qualification courses (OCT approved usually only required on certificate)
- n.b. QECO is entering into an agreement with OUAC and due to the pandemic we are currently accepting digital transcripts that come directly from the institution.

Category Placement Versus Steps

Employer's Salary Grid and QECO Category Placement.

QECO does not evaluate work experience.

Only an employer may consider work experience/related experience.

Check with individual employers or collective agreements.

General Studies: Category A

Any teacher who has not completed an acceptable university degree.

- No recently certified teachers will merit Category A except people who enter the profession with a diploma.
- Only some teachers without degrees who were certified prior to 1978.
- Some teachers certified under special certification regulations.

General Studies: Category A1

3-year degree (or Equivalent)

- **A degree with less than the graduating institution's minimum B- (70%) average**
- There are many teachers whose credentials merit Category A1.
- Only requires 3 approved courses to move to next category.

General Studies: Category A2

The vast majority (>95%) of new teachers from Ontario teacher education programs hold qualifications that merit A2 or higher

- **3-year degree**
 - Minimum B- (70%) averageor
- **3-year degree**
 - 5 full courses / 1 subject area (Minimum B- average)or
- **3-year degree**
 - 8 full courses / 2 subject areas, 4 full in each (Minimum B- average)or
- **4-year degree**
 - Less than the minimum B- average

General Studies: Category A3

A 4-year degree with...

- Minimum B- (70%) overall average

or

- Satisfying the requirements of the Advanced Academic Accreditation (AAA) designation (See Program 5 at www.qeco.on.ca)

General Studies: Category A4 (Highest Category)

A 4-year degree with...

- Minimum B- (70%) overall average.

Plus (for example):

- An additional degree.

or

- Under certain conditions, a complete Ontario College Advanced. Diploma
- See Program 5 for more routes.

Technological Studies Categories and Routes

Category A1:

- Valid teaching certificate with one basic qualification in Technological Education.

Category A2:

- Category A1 plus:
- As few as three approved additional courses.

Category A3:

- Category A2 plus:
- Three more approved additional courses.

Category A4:

- Category A3 plus:
- Three further approved additional courses, one of which must be the Honour Technological Studies Specialist qualification.

Upgrading Routes

Only available to AEFO, ETFO, OECTA and OSSTF members

Upgrading examples may include:

- 5 full-year courses (university or A.Q., or a combination).
- Three-session A. Q. specialist qualification.
- A graduate degree...(which usually results in a higher category, but not necessarily A4).

The many routes to higher categories based on the quality of an individual's credentials is the reason why categories may be different between colleagues who appear on the surface to have the same credentials.

Routes are dependent on an individual's qualifications and professional goals.

FAQs

When is a QECO Statement of Evaluation required?

- When a teacher begins a grid placement position.
 - Long Term Occasional position
 - Permanent full-time position
 - Permanent part-time position

Why should I apply to QECO when I am ineligible for positions with grid placement?

- To find out your current QECO placement, and then:
 - For specific upgrading routes to next category
 - Begin working toward that next category
 - Advance to a higher category before beginning a grid position.

FAQs

I was internationally educated and my transcripts are very hard to replace. Will QECO accept copies?

QECO accepts only original transcripts; however, all international documents will be returned to the applicant. If the originals are mailed, they will be returned by general post. If the documents are brought in by person, they will be verified, copied and returned at the same time.

Should I submit my WES evaluation?

No, do not submit a WES evaluation. QECO is the sole authorized credentials evaluator for members of AEFO, ETFO, OECTA and OSSTF.

FAQs

I have several years of related work experience. Will QECO place me in a higher category?

No, QECO only evaluates academic credentials; however, school board policy or collective agreements may provide incentives for teachers with experience. (ie; Master's Allowance, Special Education Allowance)

I am Category A1. Most of my friends think that I should be in Category A3 because my experience and education is the same as theirs.

An evaluation is based on the information provided to us at the time of the evaluation. Also, there are many factors that affect a person's placement. They include, but are not limited to, your undergraduate marks/grades, your areas of concentration and the number of courses you completed.

Ontario Graduates' Initial Category Placement

Most students graduating from Ontario faculties or schools of education who were admitted to their teacher training institution with strong marks usually result as:

- **3-year degree: As high as: A2**
- **4-year degree: As high as: A3**
- **70% of the 2017 Ontario graduates who were evaluated by QECO received Category A3 placement.**
